This roasty, wake-up-call of a porter (6.5% ABV, 30 IBUs) is based on a robust malt bill that highlights chocolate, fig, plum, and espresso flavors; led by nutty, drum-roasted Caraaroma malt. Then, Hotbox Roasters crashes the party and infuses potent, cold brew coffee from a blend of South American beans, roasted to reflect notes of chocolate, tobacco, wood and earthiness.

In 2002, our funky little Colorado grown brew-pub started stuffing our huge, voluminously hopped mutha of a pale ale in a can (Dale's Pale Ale). Cans keep beer fresher, longer by eliminating the damaging effects of light and ingressed oxygen while being infinitely recyclable and portable . . . taking them where your next soul saving adventure takes you.
